Birds of a feather

← Sara Miller Chelsea collection pink bird teacup and saucer, £22.50, Daisy Park. daisypark.co.uk

→ Crane cushion, £12, Tesco. tesco.com

Channelling Japanese design with detailed illustrations of long-legged birds such as cranes and herons, this trend is all about promoting peacefulness and being at one with nature. Incorporate it into your existing décor with small accessories to create a calming corner somewhere in your home.

Tancho wallpaper in Mahogany by Maison C, £224 per sq m, George Spencer Designs. georgespencer.com

Matt emulsion in Carrie, £18 for 2.5 litres; Period collection flat matt emulsion in Steam Engine, £21.50 for 2.5 litres, Crown. crownpaints.co.uk

5 Ombre walls

Colour outside the lines to create a stunning statement wall. Start with a light base and layer over darker tones to create a blurred ombre effect – no masking tape required.
